Like I said,
"You copy those whom
you admire." So I
have picked up a little of
you handwriting. It has been
a good year despite some teachers

better because we made so good and
hopefully lasting ones. Come back next year
with the intent to make our class the best
and to conquer that chemistry course. I hope
we get chemistry together. Have fun is

I wish to pay tribute to the staff and student body for their outstanding accomplishments, for this has truly been the "Year of the Pioneer."

This yearbook is a resume of a year of change for we live today in a vital time. Our society is undergoing organic change, impelled by the incredible speed by which we are placing the machine at the disposal of the mind. We are confronting, and for a time enduring, hard and all but endurable pressures on our physical fabric. We see the raw edges of change, and from change we must fashion not a vast and immobile establishment, but a flexible and sophisticated educational instrument. What the future demands is a man of values, vision and venture- a man of humanistic education, far better schooled than his predecessors, a man equipped to meet whatever challenge the future may bring.

A very vital branch of student government is handled by our judges and board of control. They not only represent the students, but help formulate and enforce our rules of campus conduct. The members of the Board of Control are selected by the Executive Council and the Dean of Boys, Mr. Norby. ASB Judges are elected by the Student Legislature and serve in student court for the entire year.

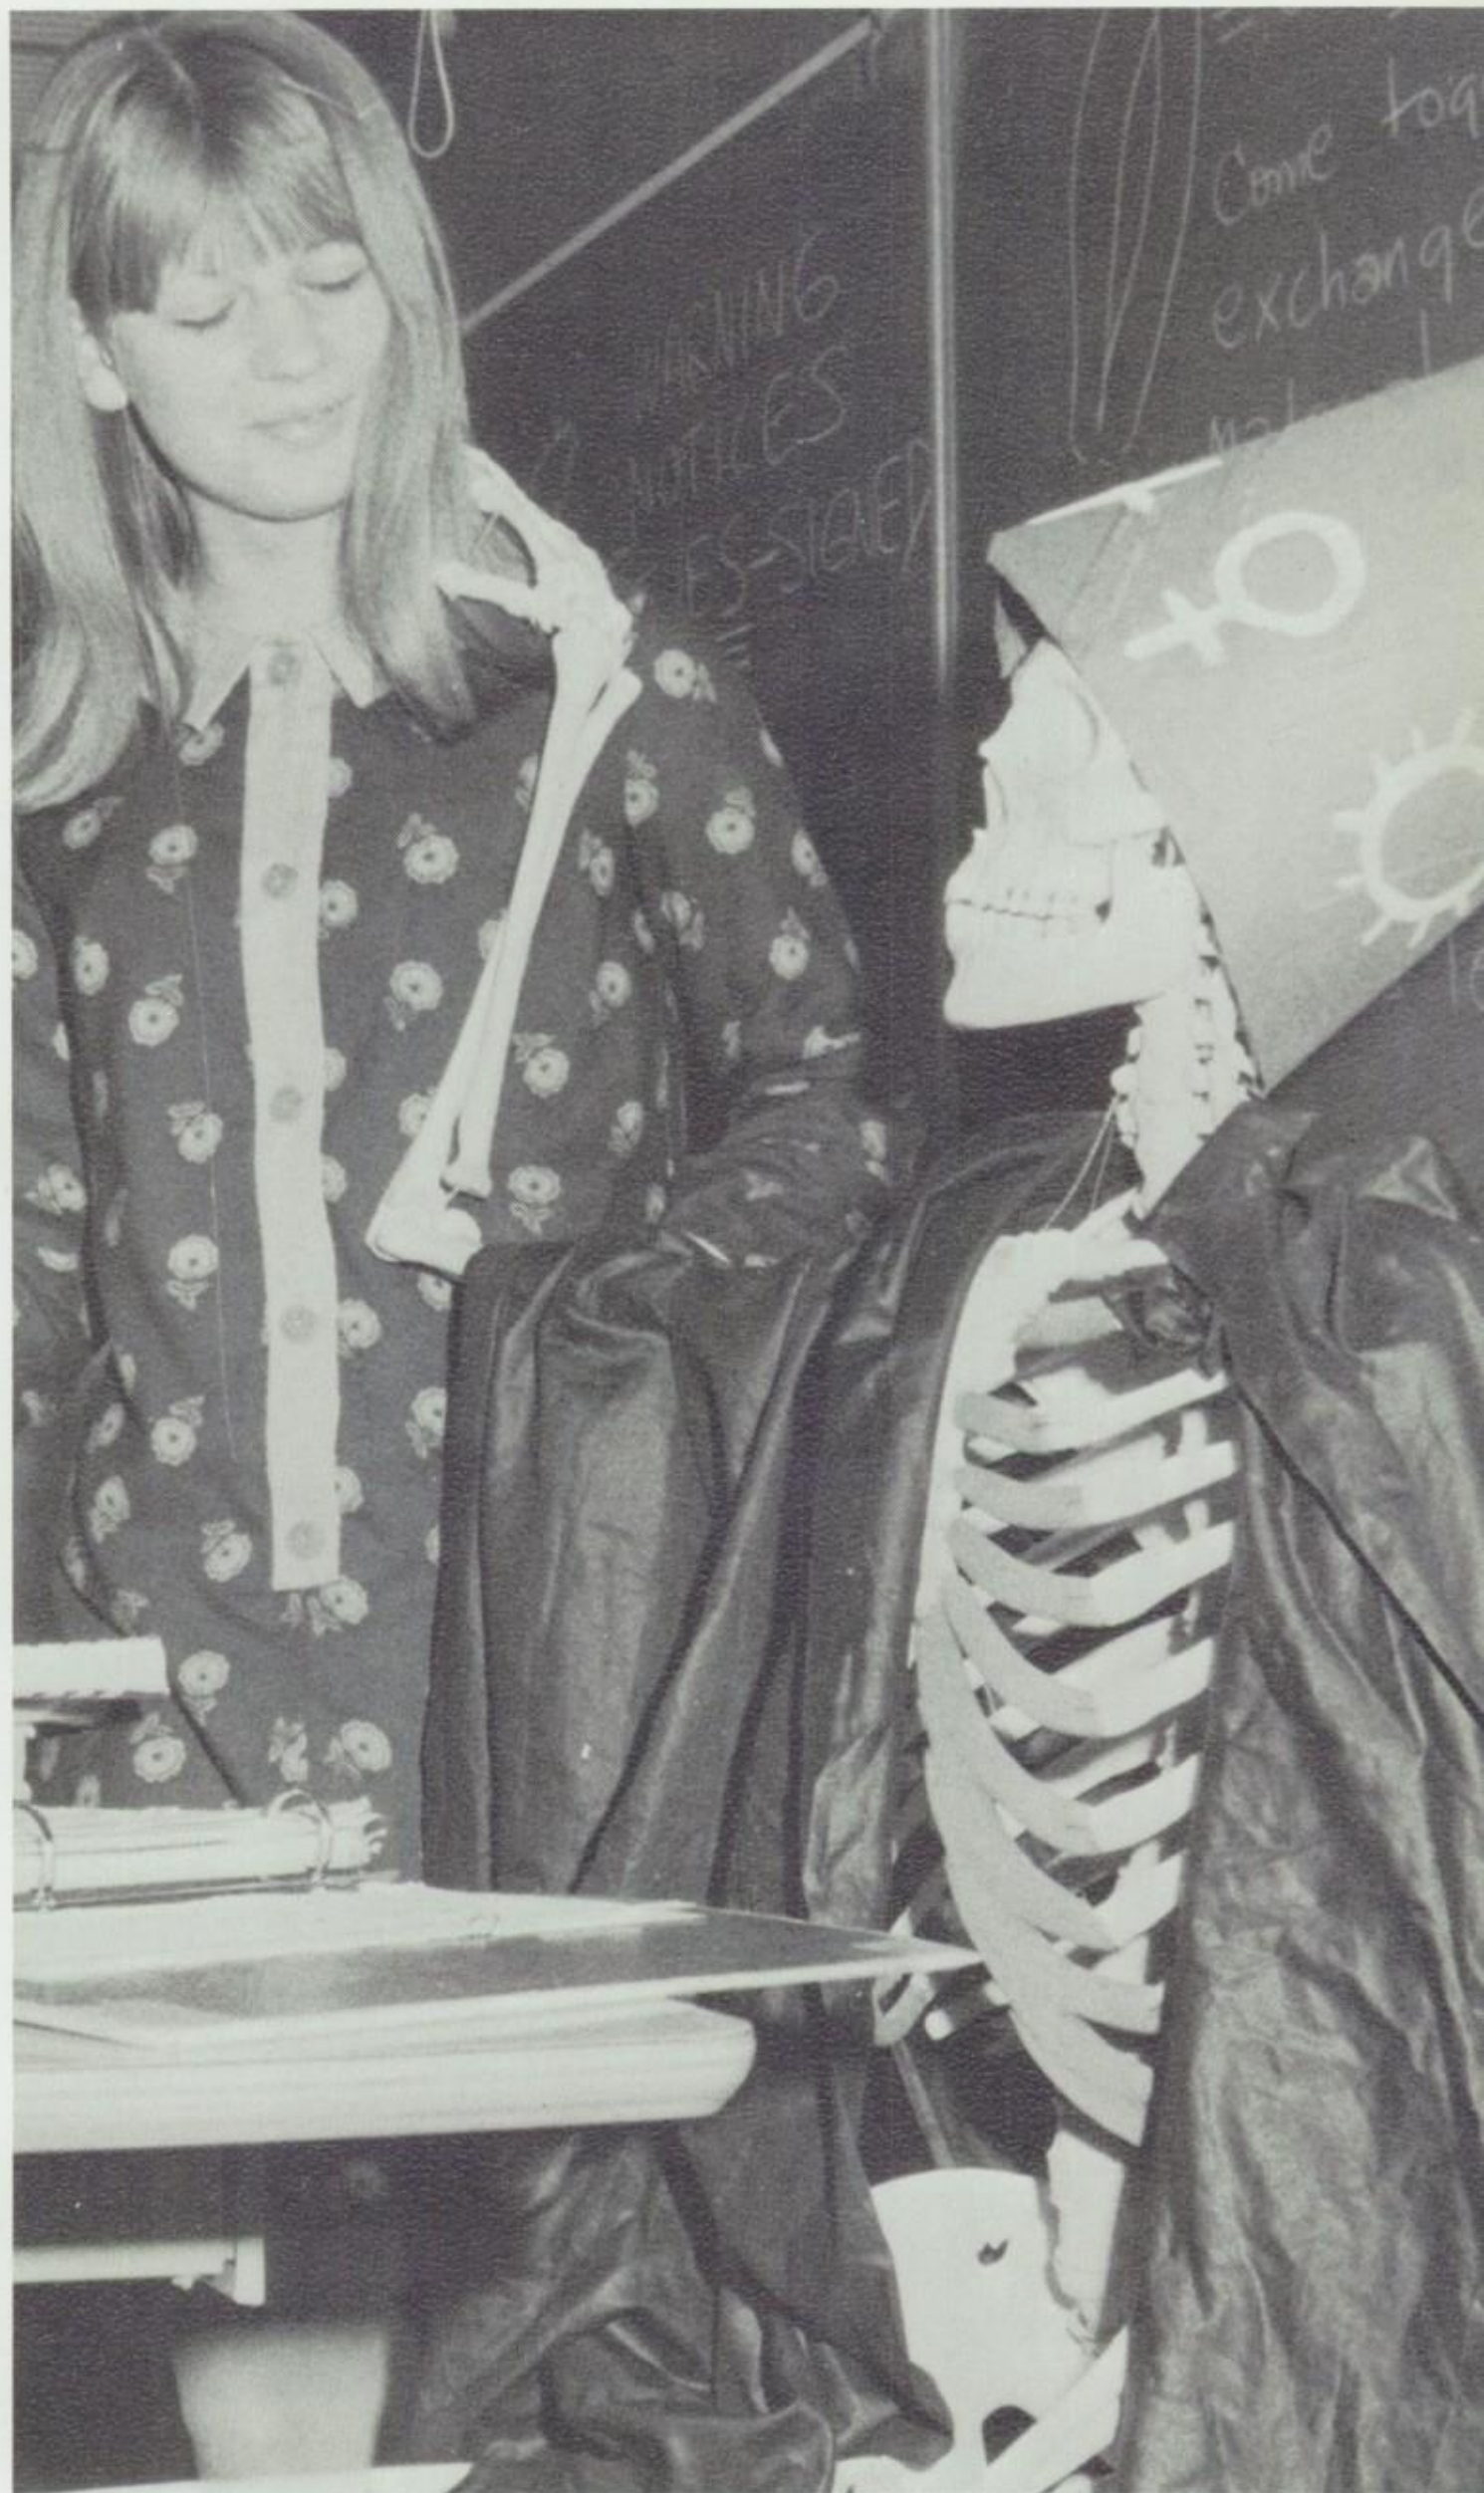

Working closely with the ASB Officers the commissioners from a large portion of the Executive Council, which works to provide an agenda for the legislative meetings. These commissioners are representatives of various large organizations on campus. This year the Executive Council sponsored the Christmas Ball, Noel Angelic, under the direction of activities commissioner, Cindy Applegate.

Seniors of 1969

With a combination of individual efforts, the Seniors of '69 will graduate with a record hard to beat. Academically, they have more National Merit Semi-finalists and Finalists along with more State Scholarship recipients than any class preceeding them. They gave Cupertino it's best football record and it's first All-American football player.

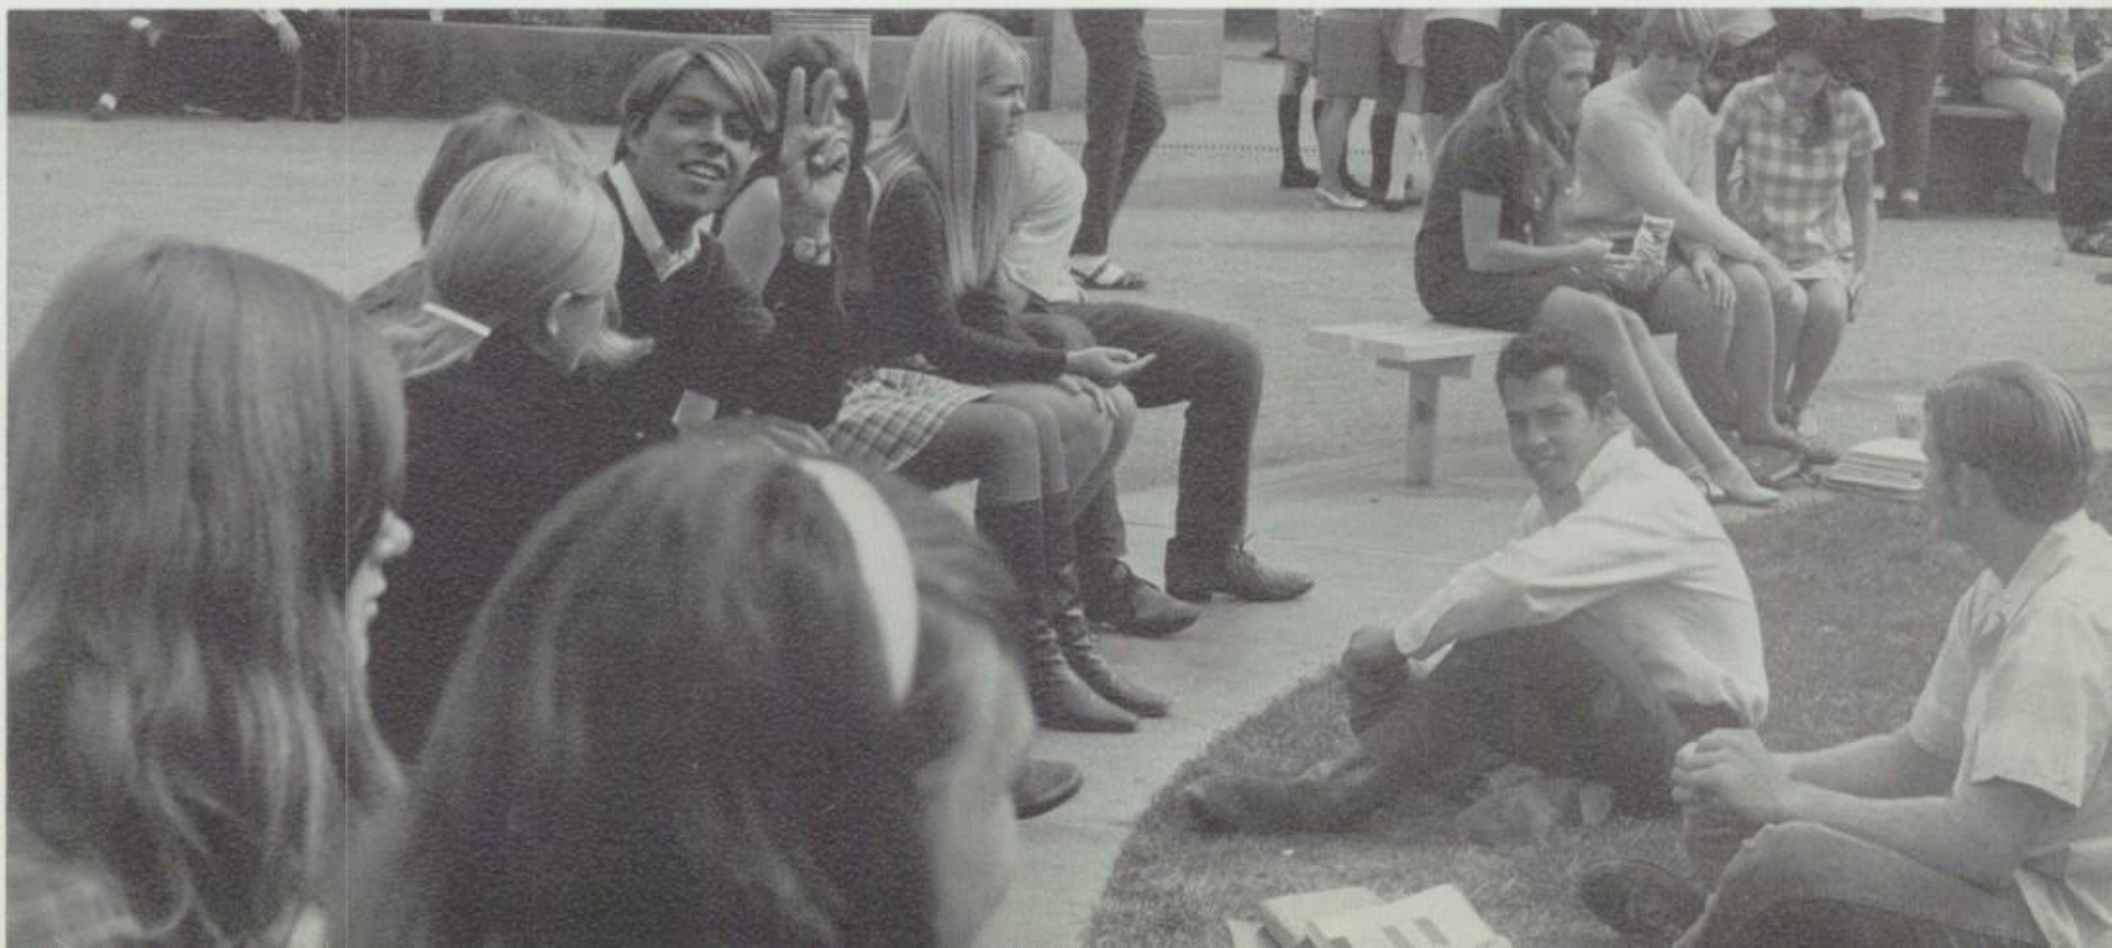

As underclassmen they shattered tradition with a computer dance and victory over the class of '68 in the first Junior-Senior basketball game.

Their ever-present class loyalty and spirit won them the inter-class spirit trophy every year that it was made available to them.

The class of 1969 has been one of the most distinguished classes in the history of Cupertino High and will not be easily forgotten.

The Class of 1970 Completes A Year of Achievement

For the Class of 1970, this year has been one of exceptional achievement. High on the list of accomplishments is the Junior Powder Puff team's victory over the Senior team in both games, for the first time in Cupertino's history. Also, the class finds themselves in better financial standing than most classes are able to attain and the Junior Prom, "Camelot," proved to be a fantastic success.

Due to hard work, organization, active participation by a high percentage of students, ingenuity and leadership, the Class of 1970 has established a record that we can be proud of.

Spirit And Wit Describe The Class of 1971

The sophomore year is a year of decision. It is a time of gaining direction and finding a goal. Toward these ends; programs such as PACE, which stands for Personal, Academic, and Career Exploration and State Requirements, which prepares sophomores for experiences that confront them today; have been started.

On the lighter side, sophomores join in on the activities, such as dances, rallies, clubs, and games. Getting over the frightening first year of orientation, they have joined in to help keep Cupertino the fine school it is.

BELOW: Sophomores wait their turn to cheer at a football rally.

ABOVE: Debbie, Karen, and Guy ham it up for the Camera.

Second Semester Officers: TOP: Sgt.-at-Arms, Danny Denson; Vice President, Bob Freeman; President, Bill Linkem, BOTTOM: Secretary, Jennifer Jones; Social Chairman, Pat Murphy; Treasurer, Alice Vestal.

BELOW: Officers Tom and Sandy enjoy the dance after homecoming.

The Class of 1972, Freshman Wonderbabes

Almost 900 members of the Class of 72 have spent a lively year getting acquainted with a new school and fellow classmates. They started in September with spirit and organization and carried that theme throughout the year.

The largest class in CHS history can have much to be proud of-their outstanding money raising projects, their Fun Night, and their champion football and basketball teams make them a welcome addition to CHS.

Even though we will be losing many members of the Class of '72 to Monta Vista, we are sure they will continue to excel in the next three years.

*To Vance's little
sister,
John
Pence*

The Look of Good Times

Christmas Ball Princesses Jan Mau and Lucille Osaki, Queen Elsa Kappelhof, and Princesses Janet Borchers and Janis Linkem receive warm congratulations.

"Noël Angelique"

The annual Christmas Ball, presented to the student body by the Executive Council, was an evening to remember. The stunning decorations transformed the student center into a veritable winter fantasyland. Glittering snow crystals covered the walls, creating a romantic setting. Music was provided *en masse* by Dave Pugh and The Aggravations. Many thanks are extended to Cindy Applegate and her hard-working committee for their hours spent in planning a very successful event.

The suspense of the evening was terminated upon the announcement of this year's Christmas Ball Queen by Student Body President Kirk Miller. A very surprised and beautiful Elsa Kappelhof was chosen by those present to receive the honor. Her court was comprised of four lovely young ladies: Jan Mau, Lucille Osaki, Janis Linkem, and Janet Borchers.

Cindy Applegate graciously accepts roses presented to her in gratitude for the effort put into the decoration and planning of this year's Ball.

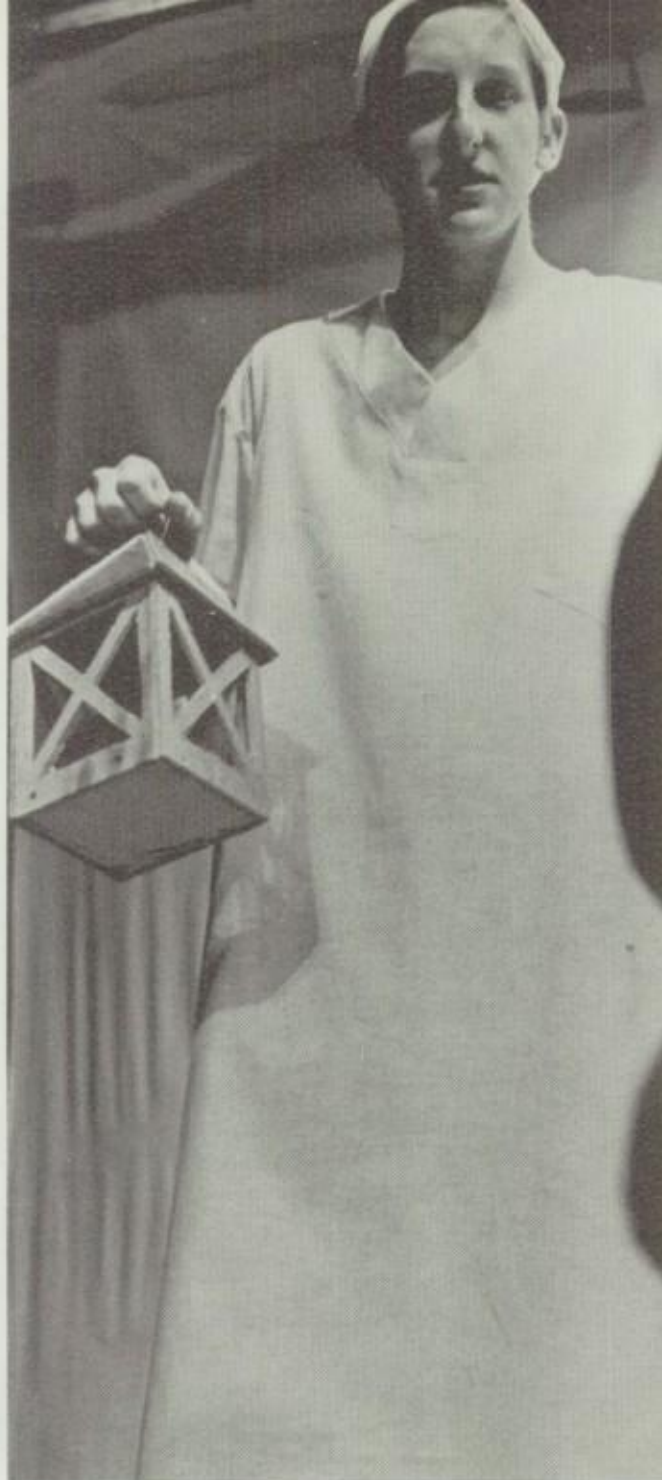

BELOW: Kirk Miller, A.S.B. President, presents Elsa with her crown.

BELOW: Ned Branch escorted the alluring Elsa.

Roxie McDermott welcomes newcomer to Brigadoon, Jim Reber.

Peter Kappelhof, as Mr. Lundie, guides the way back to Brigadoon.

Elsa Kappelhof and Greg Armbruster sing, "The Heather on the Hill."

The crowd watches suspensefully as Scott Blackham as Harry, and Brian Squyres as Charlie, fight for the love of Jean McLaren.

"THE CRUCIBLE"

This year's fall play presented by the Cupertino Drama Department proved to be one of the finest ever staged at CHS. The play was under the direction of Mrs. Ann Atkinson.

Arthur Miller's "The Crucible", is a highly emotional story based on the infamous witch trials of Salem, Massachusetts. The play provided the audience with an insight into the injustices often wrought by public hysteria.

Friends From Abroad

Maria Vincente, from the Philippines, lived with the Borchers' Family in Cupertino.

Takashi Mori, from Japan, resided with his uncle in Saratoga.

The expansive foreign exchange program at Cupertino has enabled students to become acquainted and establish lasting friendships with other students from many nations. This year CHS was fortunate enough to provide homes for thirteen foreign students, which certainly gave raise to an active campus! They gave our campus a special atmosphere, filled with a lively spirit, which shall not be forgotten.

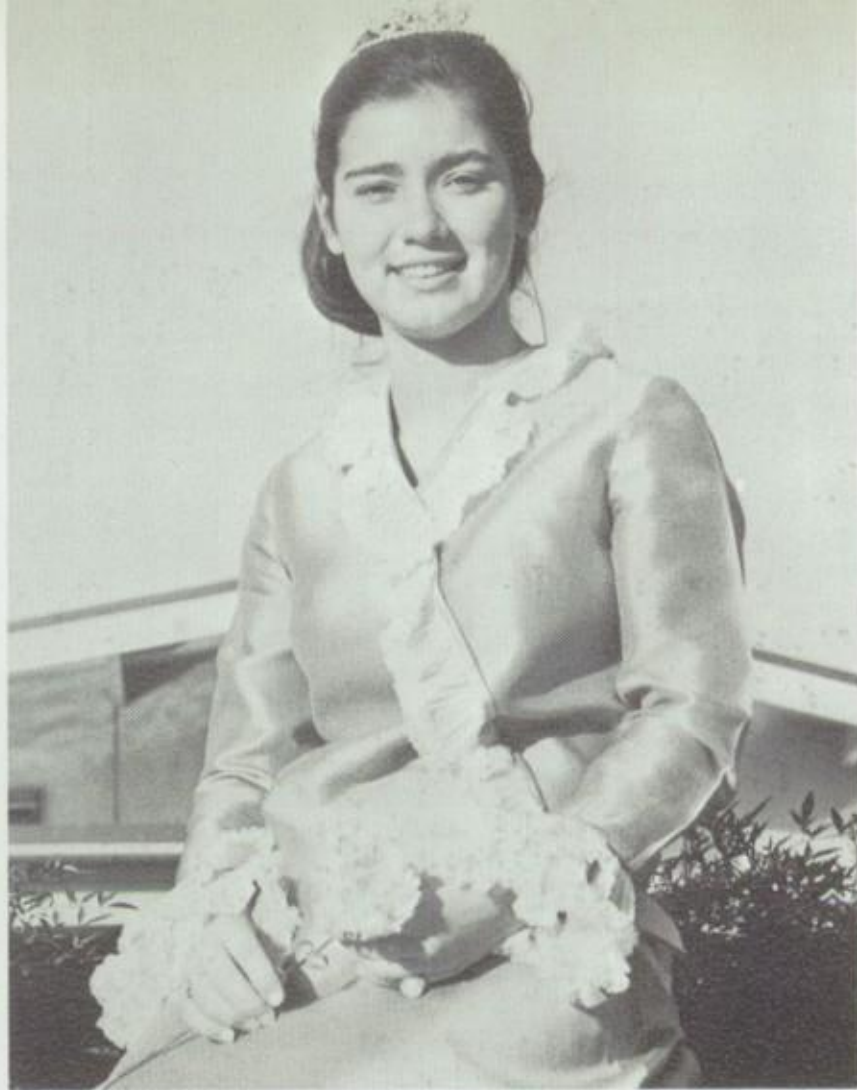

During the 1968 summer two CHS students, Peter Chaillaux and Marilyn Nations spent their summer in South America under the American Youth Exchange Program. Kirk Miller and Paula Pearson had equally exciting adventures in Europe.

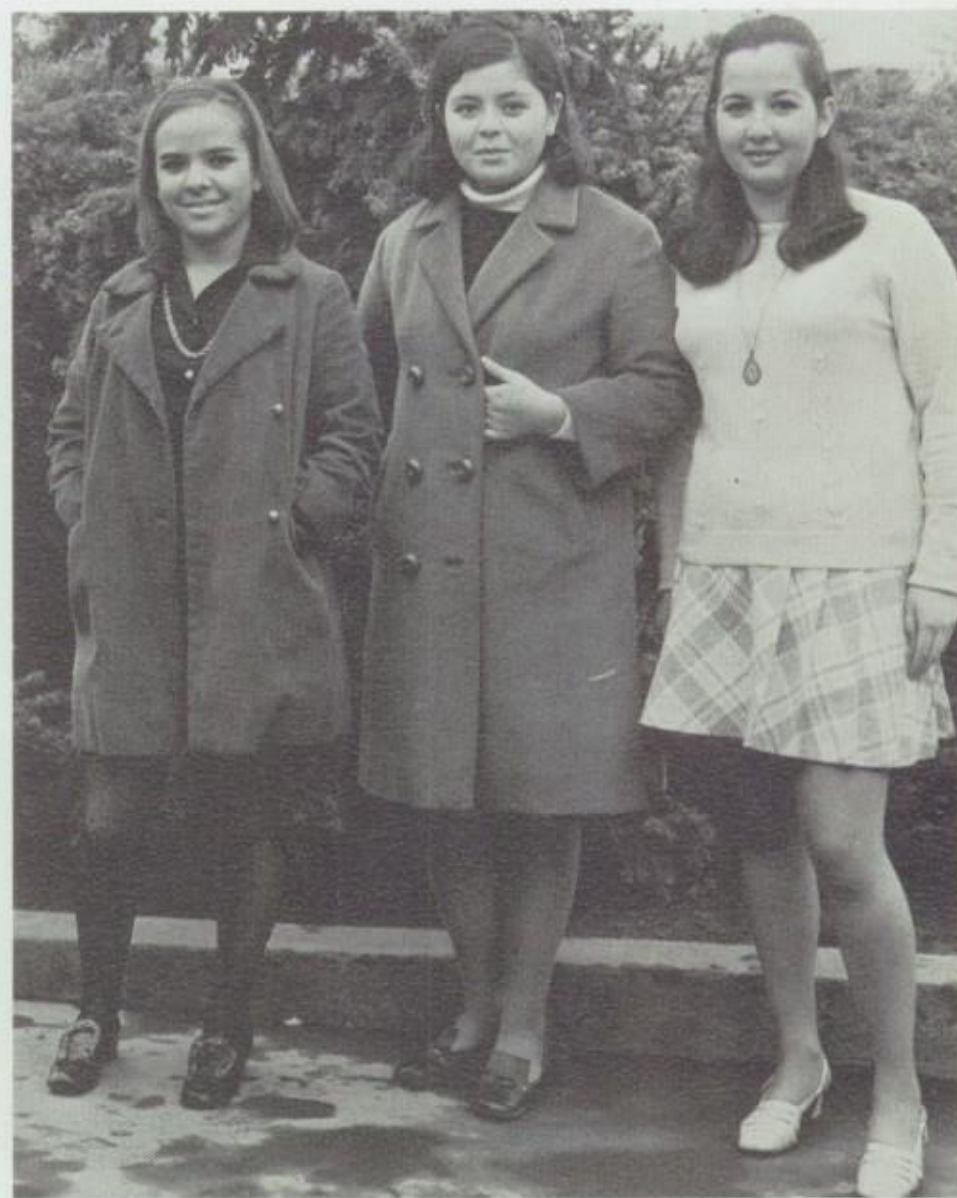

Our Brazilian boys included Andre Arias, Marco Aurelio Eboli, and Carlos Gomes.

These adventurers from Argentina are Hugh Monteverde, Graciela Combetti, Chany Martin, and Norberto Sturla.

Maria Murta from Brazil was the 1969 Key Club Sweetheart.

Our classic Chileans included: Rosa Meza, Mariana Rojas, and Lili Contreras.

Interact Hoots to Help

Once again this year the Interact Club has proven to be a benefit to both the school and the community. Beginning the year with the club's annual Christmas Hootenanny, which boasted one of the finest displays of talent, the club helped support their Korean war orphan. The members worked together on various community improvement activities throughout the year.

First semester president, Mike Peterson, led the club during the organization and performance of the Hootenanny. The second semester president, James Reber, headed the club during its second annual Movie Night and year end activities. The club's advisors are James Schmiedt and William Boggie. Probably the best sum up of this service organization is, as its motto states, "Understanding Through Service."

Key Club Kills Hunger

Through the efforts of the Cupertino High School Key Club, over a hundred needy families had a merrier Christmas this year. Each year the club sponsors a food drive in conjunction with other community organizations. This year over one hundred baskets were distributed.

The Key Clubbers, under the direction of adviser Mr. Stewart McCarroll, sponsored the annual Homecoming pageant and dance. As in the past the group ended its year by giving a Saturday picnic for fifty orphans.

Each year the girls host a brunch dessert for faculty, entertain faculty's kiddies at Christmas and put on an orientation fashion show for freshmen.

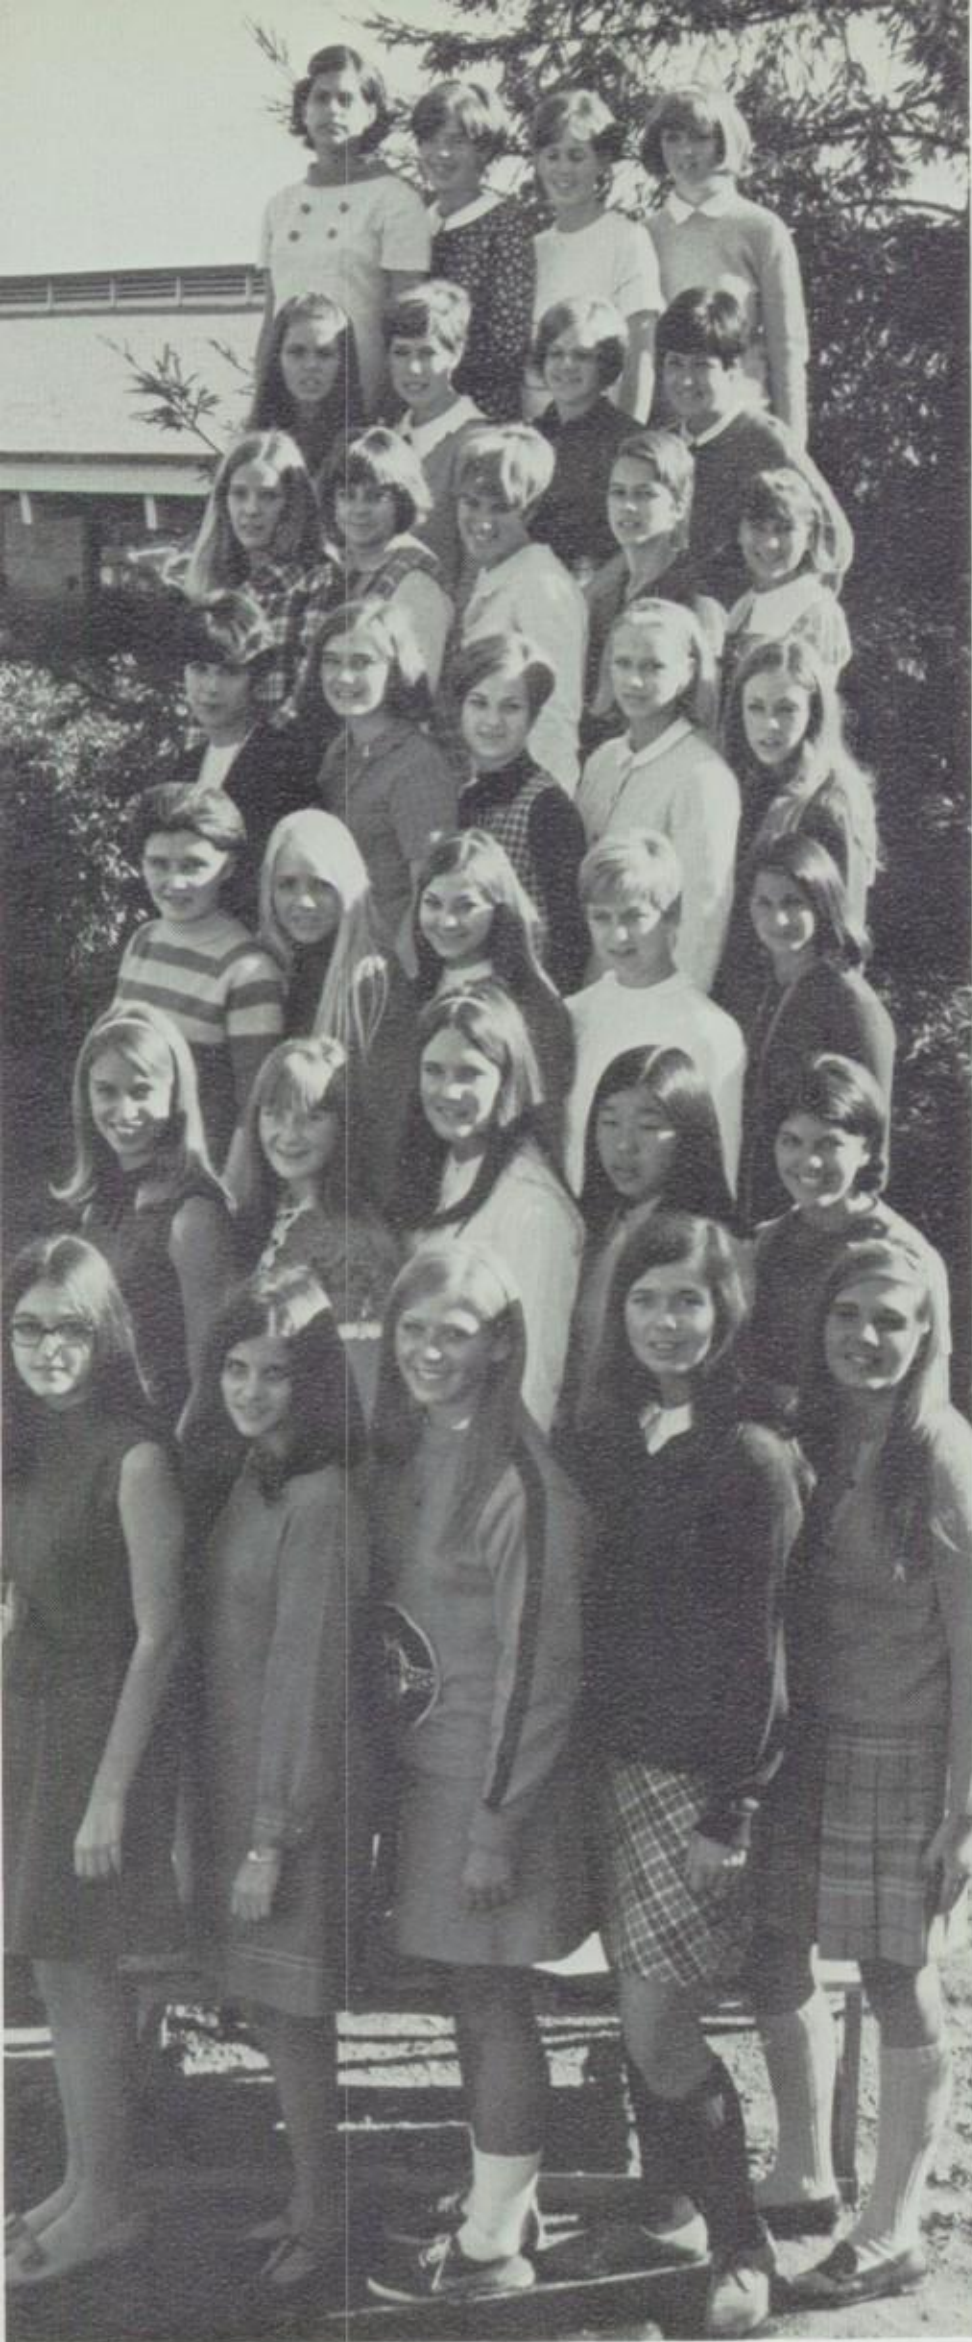

This year in addition to their regular activities the girls headed a drive that netted three hundred dollars for Biafran relief. The Organization is sponsored by Mrs. Janine Stark.

Pep, Organization and Enthusiasm

Pep Girls, Varsity and J.V. Cheerleaders played an important part in all school activities. These groups worked hard to promote school spirit and enthusiasm for life in general.

The J.V.'s, led by Patty Rowe, took first place in Oak Grove Competition. Nadine Okamura Head Varsity Cheerleader and her capable assistants did much to spark our many fine athletes on to many a fine victory.

The Pep Girls are advised by Mr. Dennis Cates while Mrs. Linda Ross coaches Cheerleaders and Song Girls.

Our Song And Dance Teams Keep Things Moving

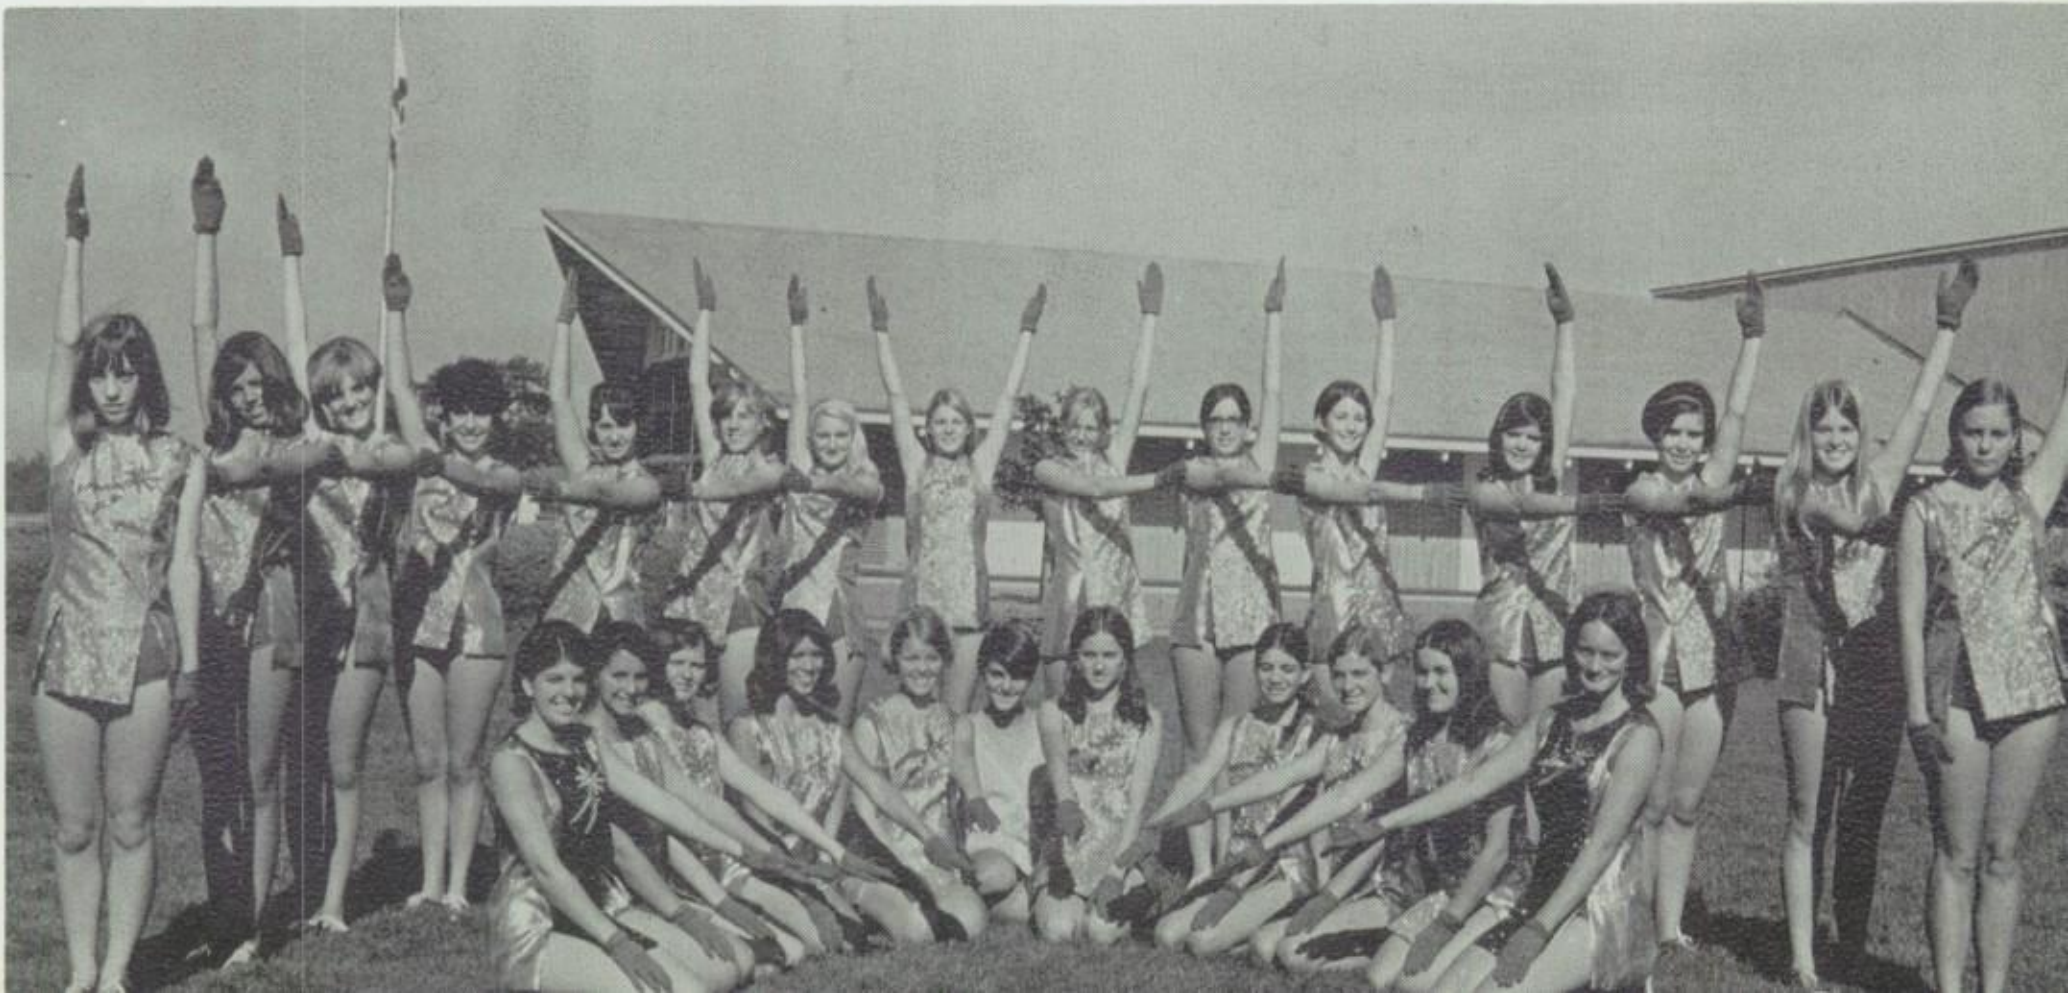

Those girls in the "iddy biddy" uniforms are the CHS Song Girls. These girls displayed their dancing abilities at our rallies and added much entertainment to our football and basketball games. Even pouring rain didn't stop these six little wonders when they competed at Kezar Stadium. The Santa Clara County Competition and their performance at a televised Stanford basketball game were two other adventures our Song Girls managed to pack into their busy schedule.

Snappy new uniforms and lively routines by the Golden Spurs added much to this year's football season. The girls spent many hours after school and worked closely with the band, to produce their precision dancing and marching programs. Attired in their new uniforms, these girls added vivid color and spirit to our rooting section during basketball season. The Golden Spurs are under the direction of Miss Nancy Morrow.

Pep Band, The Pep Band helped bring warmth, excitement, and a fast tempo to our basketball and football games. Scott Blackham was the dynamic leader of this talented group.

Beauty and Victory Highlight Homecoming

Homecoming 1968 thrilled the crowd with its traditional pageantry. A loud fanfare from the band announced the beginning of halftime and the long awaited procession of beautiful girls. The crowning of Queen Donna Pierceall by last year's queen, Charity Swayze, delighted all. Class Presidents proudly escorted the princesses, while Key Club members worked efficiently to make certain all ran smoothly. Victory over Santa Clara and the selection of Guard Randy Page as outstanding player, culminated a most successful game. Afterwards, alumni and students gathered in the gym to dance and renew old friendships.

Twelve Make All-SCVAL

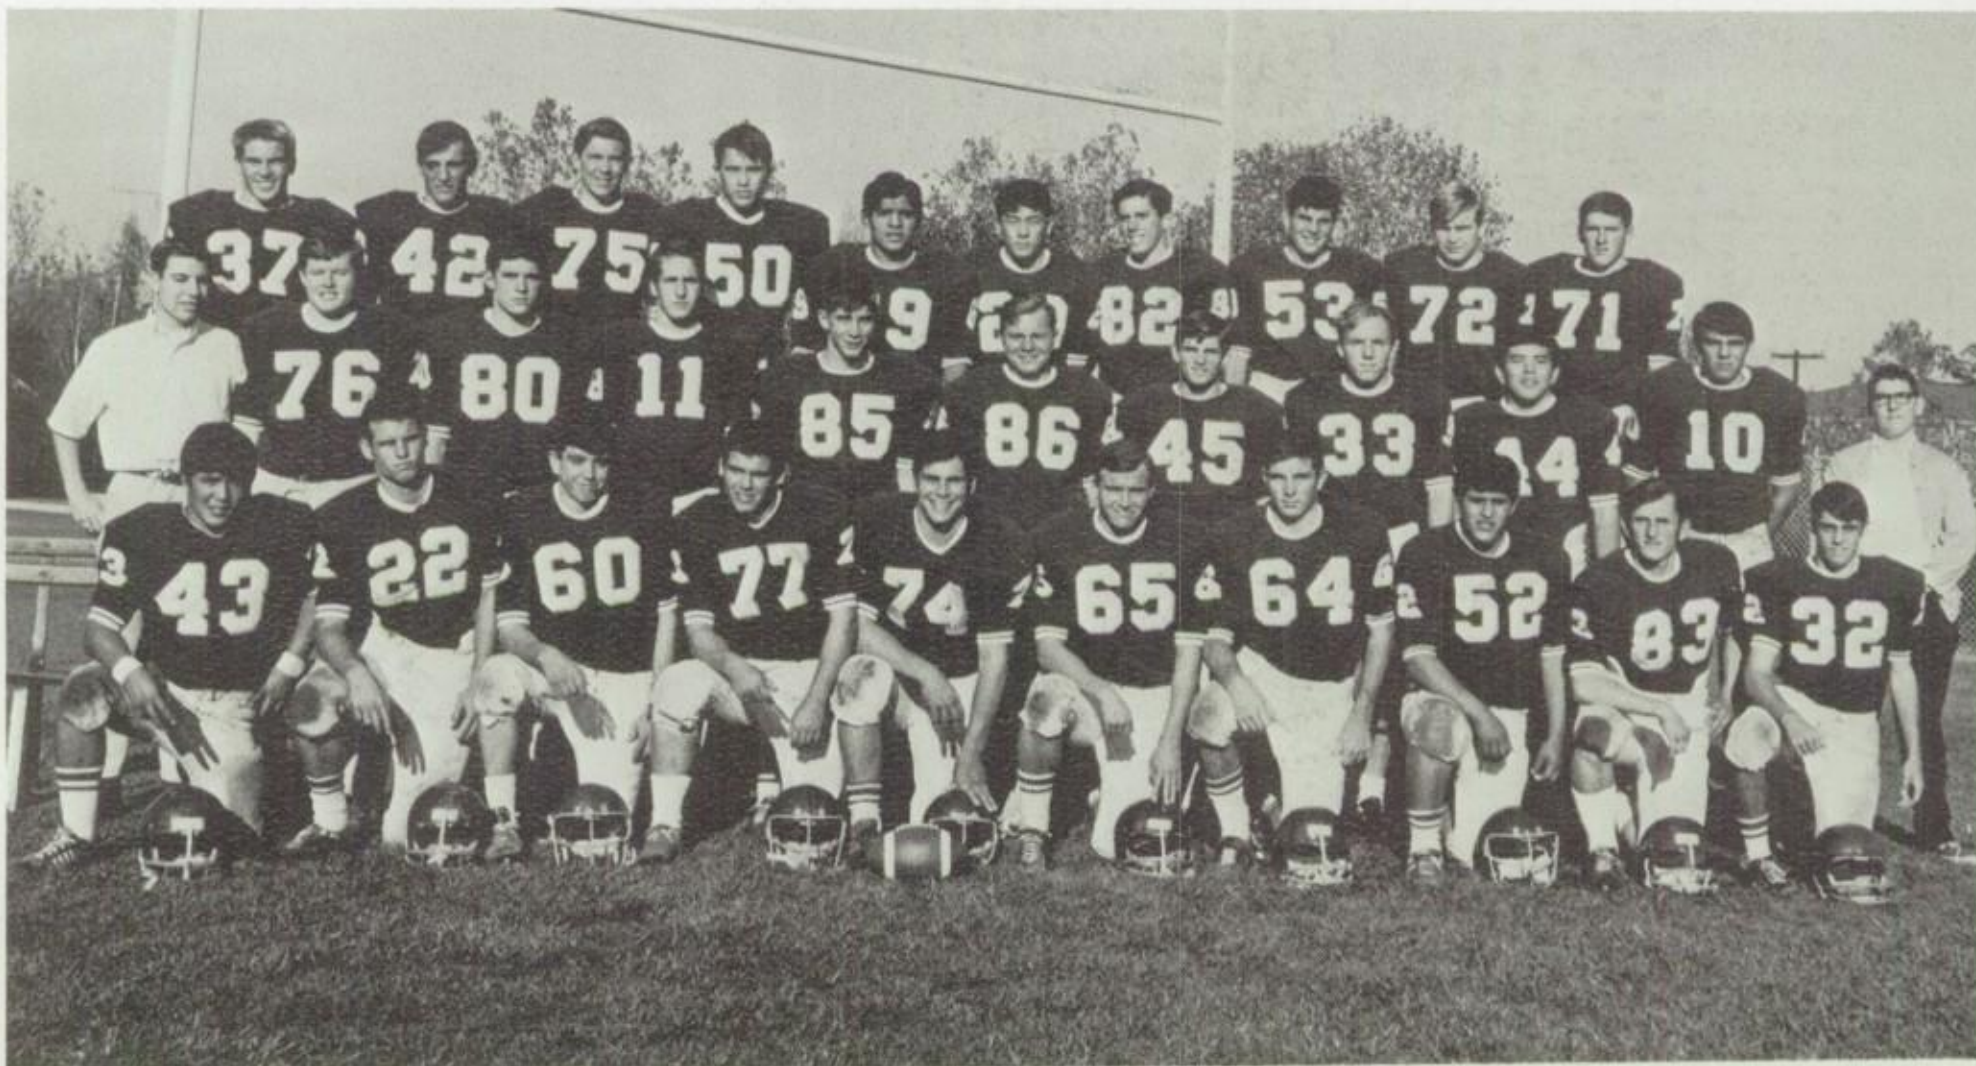

One dozen of our best Varsity players were selected this year as members of the All-SCVAL football team after Cupertino's best season ever. They cumulated a fine 7-1-1 record during the season. Furthermore, two of the mighty Pioneers, senior Russ Leal and junior Jerry Egusa, landed berths on the All-Northern-California Football Team.

Led by head coach Charles Reynolds and assistants John Christensen and Robert Sartwell, the Pioneers, dazzled fans with a brand of football that proved to be as flashy as it was successful.

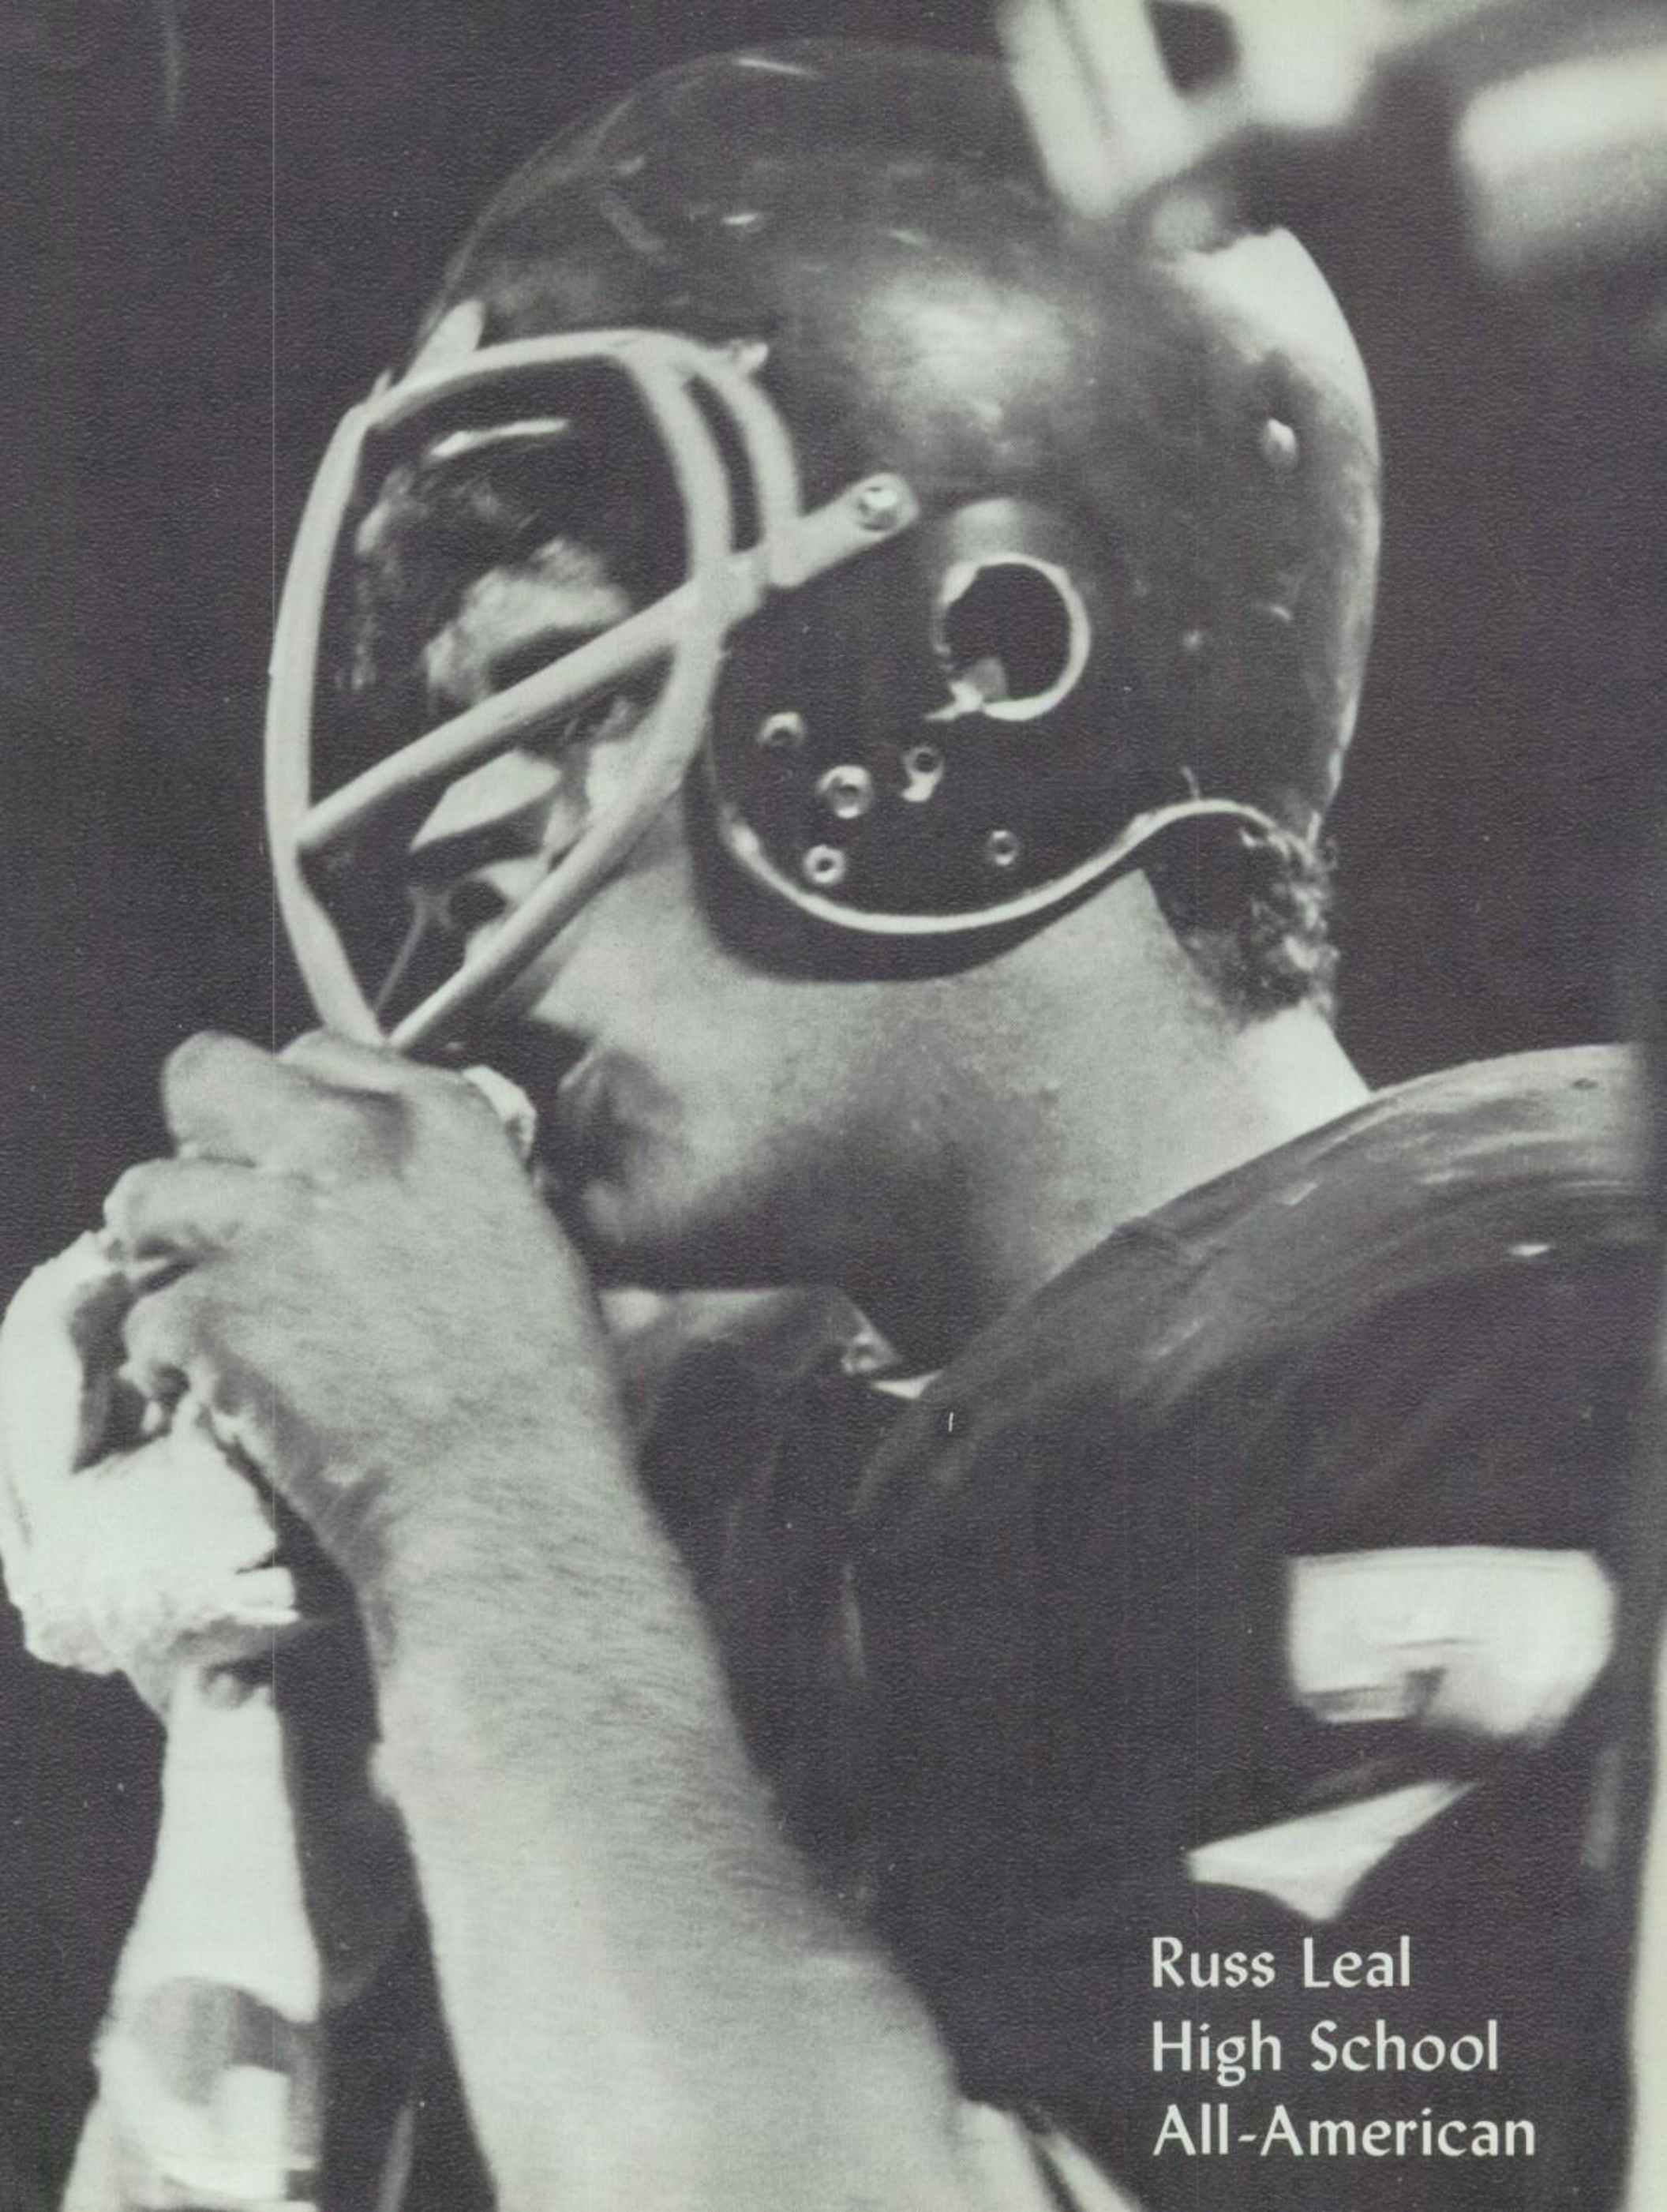

While all members of the team were outstanding, the following proved themselves to be exceptional: Backs Egusa and Elkins, and linemen Leal, Page, Pritchard, and Carr. The leadership of quarterbacks Jay Cruze and Bud Bonetti also proved to be a key to this successful season.

Varsity Does Great Job

After a disappointing start, the C.H.S. varsity wrestlers succeeded in winning nine matches in a row. Their 9-2 record was the best recorded at Cupertino in the past five years.

The grapplers, putting many hours of hard work into their betterment, did well at the SCVAL Finals at Await High School. Ed Hein surprised all when he won all of his matches at the Finals and took a first place. Going on to the CCS Finals, Ed placed third, entitling him a spot at the State Meet. Also placing first in his division at the League Finals was Eddie Ortiz. Russ Leal was a sure bet to win the Unlimited class, but forfeited in the final round because of a back injury. Nevertheless, Russ took second place laurels. Third place honors went to Rich Vigil, an excellent wrestler who went virtually undefeated through dual meet competition. Junior Marty Hatzke also placed third. These individual efforts combined to give the Pioneers a 3rd place finish in the SCVAL.

The junior varsity wrestling team, comprised chiefly of freshmen and sophomores, had a fairly successful season under the direction and guidance of their new coach, Mr. Rodehorst. The Pioneers lost only by very small margins and won their other matches by large amounts. The season's record was 8-4.

Individual efforts recorded for the JV wrestlers at the SCVAL Finals were as follows: A league championship was awarded to Eric Andren in the 127 lb. weight class. Louie Lane took a third place at 103 pounds, as did Tom Gonzales at 145 pounds. Fred Huff and Mike Jameson also captured a third place medal each. Fourth place honors went to 95-pounder Dave Swanson and 133-pounder Dave Hill.

Summing up the season, Coach Rodehorst commented that he got a lot of satisfaction out of coaching the team, and that Cupertino can look forward to some fine wrestling in the near future.

Three Great C.H.S. Teams

This year's CHS baseball teams fared high in all competition. Each team starting out as championship material and all maintaining excellent standing throughout the season.

The Varsity team under the coaching skills of Mr. James Schmeidt featured such well seasoned players as David Land, George Goodman and Ron Elkins. Star players Steve Kelly and Tony Rastellini kept the Junior Varsity team in competition for the championship along with help from Coach Robert Startwell. The freshman team fared equally well with Coach Alan Montgomery and players.

Goodman stretches out for the long throw.

This year's golf team, under the guidance of coaches Buck Shore and Ray Snyder, finished respectably in S.C.V.A.L. standings. Several time medalist, Randy Page, led the team throughout the season. Due to the great interest and fine turnout, Cupertino can look forward to another fine golf team next year, and in years to come.

Sports Class

Sports Class offers girls with special athletic abilities an opportunity to enjoy and improve their talents. Everything from hockey, modern dance to gymnastics are on their active schedule.

This year the Modern Dance Show, which is presented for the entertainment of the student body, was directed by Miss Nancy Morrow. A great success this year was the Sadie Hawkins Dance, which members of Sports Class worked hard to present. It is apparent that this club sponsors many activities not only for its members, but for the entire student body.

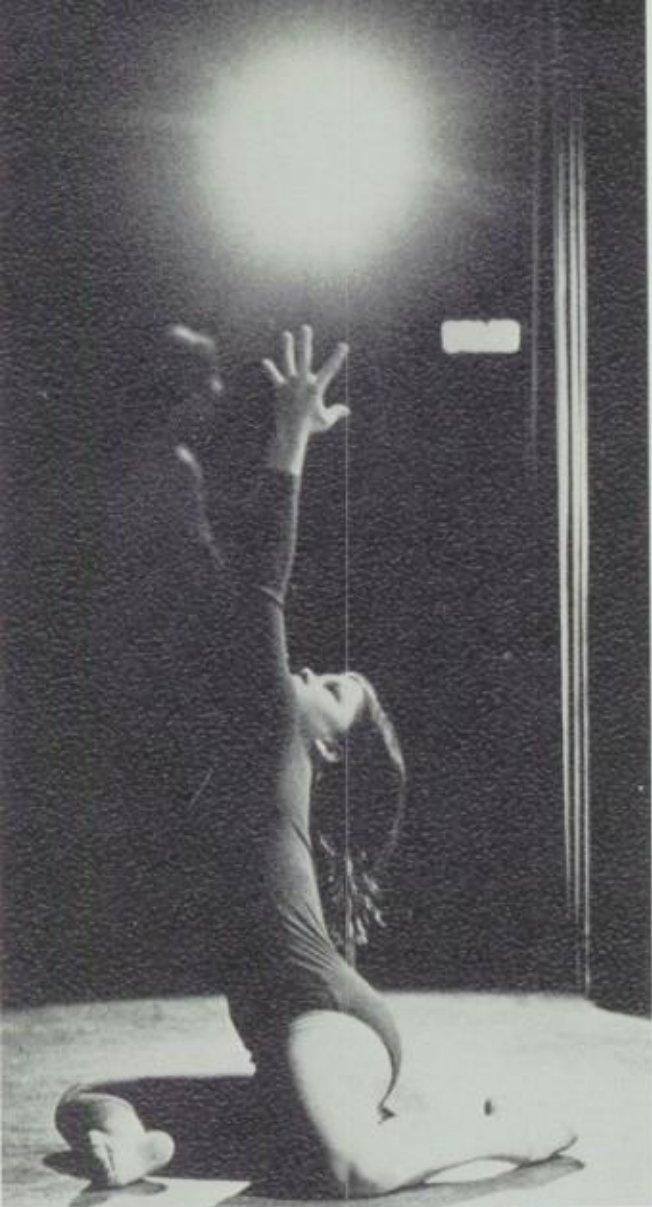

Sports Class represented our school in many inter-district tournaments and gymnastic meets. The highlight of the year's activity is a slumber party in the spring. New freshman members are welcomed, officers are elected and best of all those great moments which only Sports Class had to offer are relived.

This year's busy officers are Janie Hazard, pres.; Pat Kinkler, vice-pres.; Randy Bradly, sec.; Sue Miller, soc. chair.; Sharon Smith, point recorder; Sue Fulcher, historian.

In the Modern Dance Show Karen Doyle preformed "Trepidation." BELOW: Penny Hoerler practices on the trampoline, while Caroline Roberts and Kathleen Schady spot her.

Renee Bollo uses dance as a means of expression.

ABOVE: Ricky Furtado conveys great emotion in her modern dance presentation.

Hi!

Boy, what would it be like not getting to be a freshman. Well, the years over... wasn't it fast!! A lot of things have happened this year and I think I've learned a lot, ya know what I mean?? Well, I made it through the year, made it through Holt's, Home Economics, and all the rest. I'm sure glad you're not going to Monta Vista. Sometimes I think I have a lot of growing to do, not just physically but mentally too. Well, it's about time to stop writing because I don't know what to say. It's so hard to say it all. Have fun this summer and let's be fishes. Good luck

LOVE

Take care
"kid" and
we'll see
you next year.
Maybe then I
won't be left
such a small
space to write
in in your
year book!
Best regards,
J. Fisher

Yvonne:
Best wishes to a sweet girl.
You're a real person and I
appreciate you just being yourself
this year. Thanks for the great smile
and sense of humor! (although
don't think you have
to be that way all
the time if you have
something serious
to say) I feel
you have a lot
to say and I'm
not the only one on
the faculty who
thinks so.
The nut with the red
on her arm. You are really a crack up
in choir and P.E. - also a good Tennis
player. Hope I see you next year.
